

FP27 - 10 Metre Static Rope

Collection: Fall Protection Accessories

Range: Fall Protection

Materials: Kernmantle Rope

Outer Carton: 20

Product information

12mm diameter kernmantle static rope. Ideal for use with detachable rope grab. Kernmantle rope is a low stretch, high strength rope with a tightly woven mantle skin that prevents the product from untangling, making this product acceptable for all uses including running a speed line.

Fall Protection Accessories

Assort range of fall protection equipment to be used with our other fall protection equipment

Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
